The fee is \$5.00 per student. One teacher/chaperon will be admitted at no charge for every ten students. We realize that home schools operate differently so the student fee is \$5.00 per student and 1 parent per family may attend at no charge. A home school group/club must arrive at the event together in order for the rate to apply. Fees will be collected at the ticket gate upon arrival.

Thank You and we are looking forward to seeing you in November.
